ANNE LEGNER

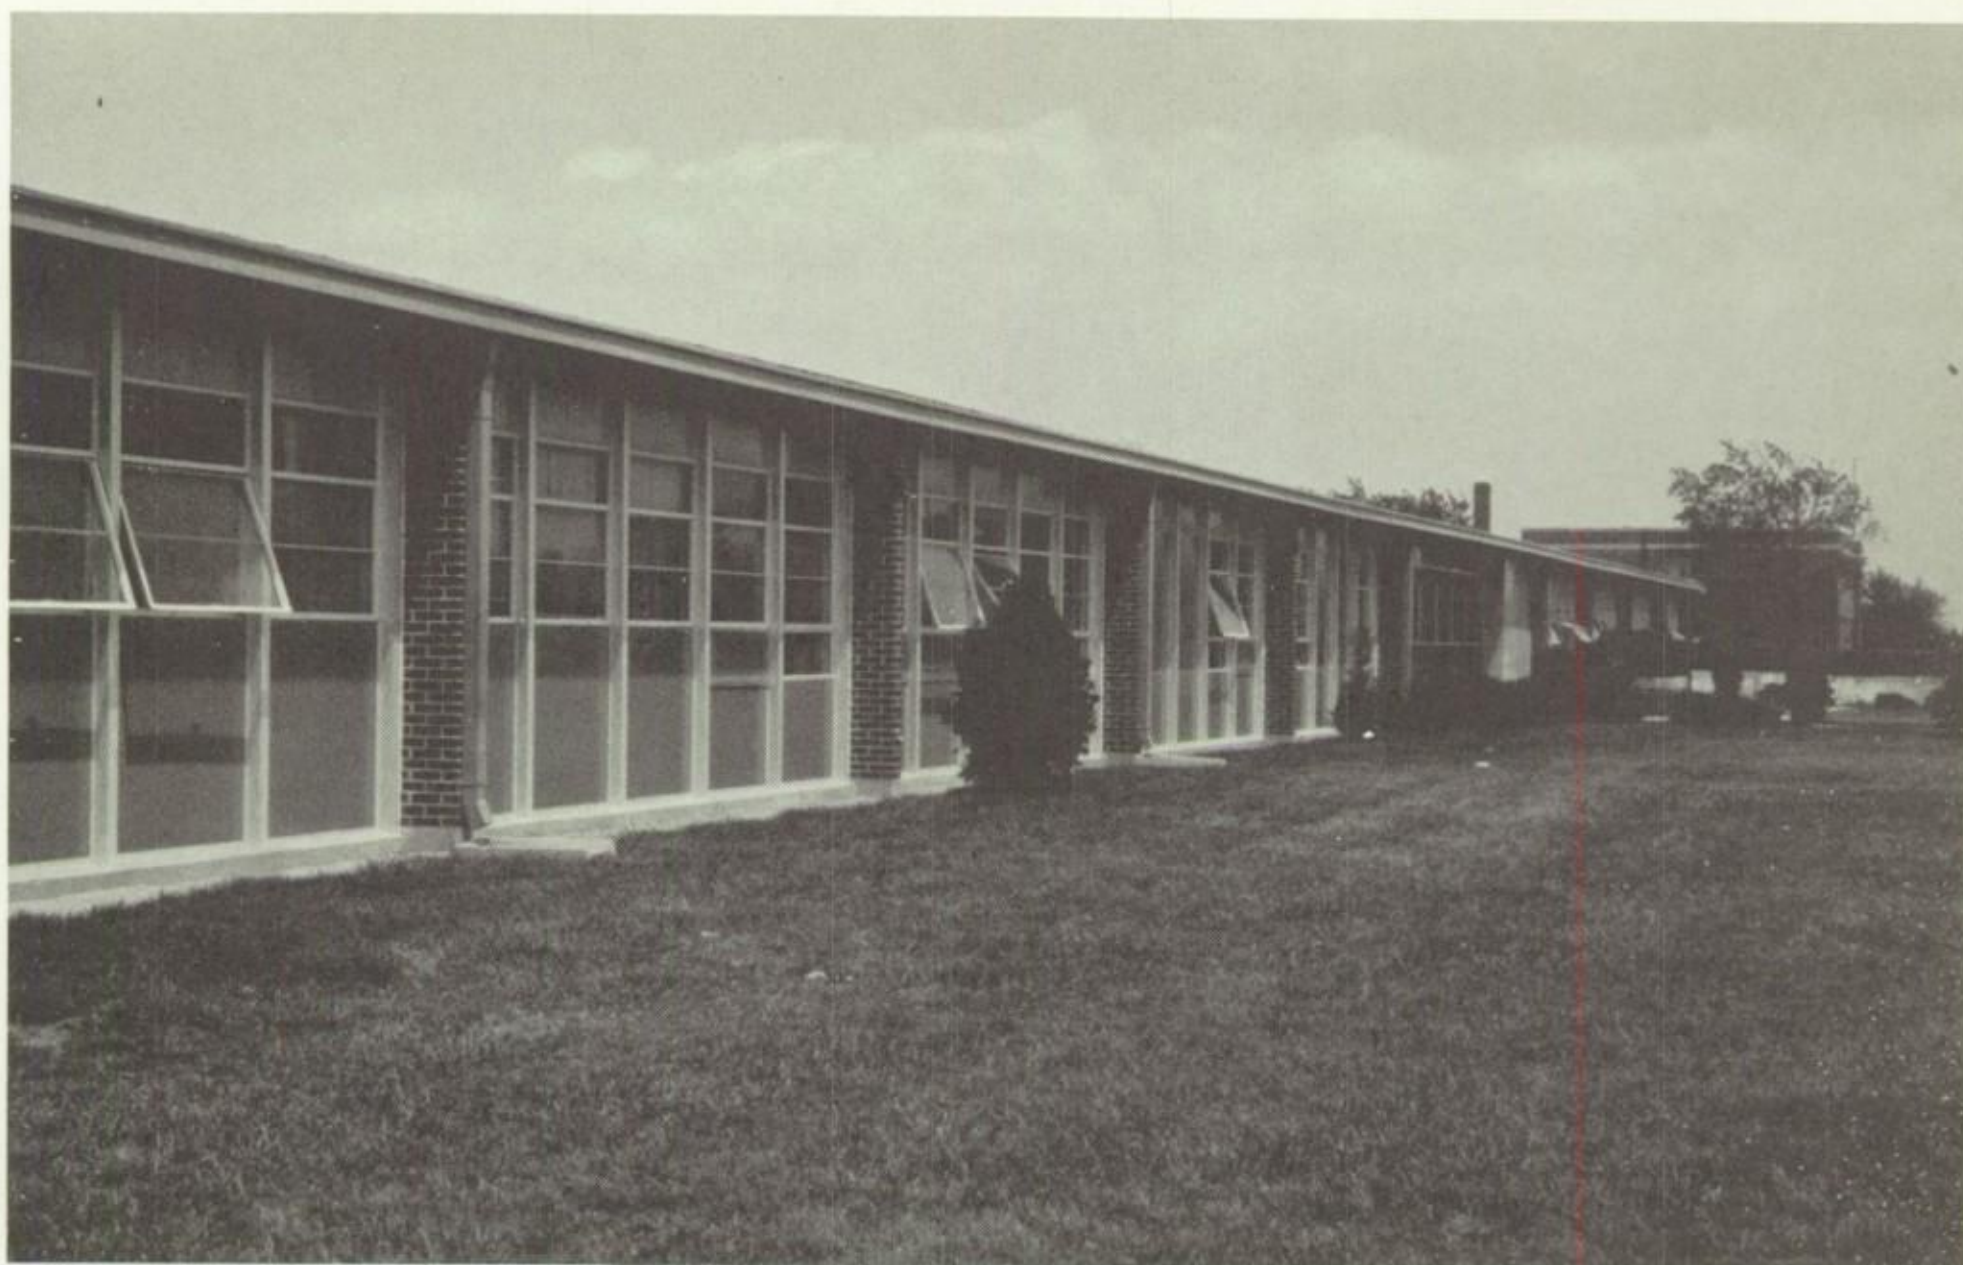

Dear Ann,
Best wish
in college. I'm sure
you will have it.
Love always,
Dorothy

Dear Ann,
We've never been
close friends but I hope
will always be friends. Good
luck in college. That's where
I wish I was this year.

At the conclusion of four full years,
We slip from the hand which has molded us
To face life as individuals.
These four years will be remembered and 'cherished;
If we have successfully met their challenge
Of responsibility and opportunity,
We can be proud and confident,
Facing the future with
Youth, enthusiasm, and ambition.

Each one of us will have
A hand in things to come,
Whether we become parents,
Dentists, chemists, or lawyers.
The quality of our four years here
Determines the quality of our future.
Our role may, or may not, be worthwhile;
It is up to us and the way we apply
Ourselves, our knowledge, and our abilities.

This 1966 Rocket could not be complete without an expression of our deep appreciation to Mr. John Churchill, our superintendent, who served this school and community so well for so many years. Mr. Churchill left us during the year to work for the State Superintendent of Public Instruction. He is pictured here receiving a desk set from Mrs. Gordon Estrop, P.T.A. President, and Tom Scott, Board of Education President.

Thanks, Mr. Churchill

Board of Education

SEATED: Jack Goby, Mrs. Leach, Tom Scott, and Mr. Snyder. STANDING: Ralph Lederbrand, Wilson Park, Ernest Bayer, Eugene Holmes, and William Kessler.

Headaches

Many of the headaches which confronted our Board of Education had to do with the construction of the new physical education building and cafeteria.

Remedy

The many headaches of the Board were surely somewhat remedied by the performance of the students, many of whom received recognition on Honors Day.
